

# How many challenges can you complete?

Find objects/toys around your house or garden longer than your spoon!

**Can you order the objects from the shortest to the longest?**

Look out of the window/go outside-name 5 living things you can see!

**Can find a way to record what you see? Picture/tick chart/photos...**

Create an indoor obstacle course-use cushions/boxes!\*

**Can you ask an adult to time you completing the course?**

Play your favourite song-make up a dance!

**Can you perform your dance to an audience?**

Use 5 favourite toys/teddies and sing '5 in the bed!'

**Can you count the number of toys/teddies left each time?**

Build a den using chairs/blankets/cushions!

**Can you read a book by torchlight in your den?**

Choose 2 of your favourite toys/teddies and make up an exciting adventure

**Can you tell the story of the adventure to someone else?**

Choose your favourite toys/teddies and set up a tea party!

**Can you count how many plates/cups/spoons you will need?**

Hide some treasure in your home/garden-tell someone clues to find it!

**Can you make a map showing where the treasure is?**

Make a model using recycled boxes/bottles/lids/

**Can you work with an adult to write a label/sign for your model?**

*If you complete your challenge have a go at the extra challenge in **bold!***
