

CREATE YOUR OWN JERSEY

Cycling jerseys have been pretty varied over the years, ranging from wild designs through to cool kit.

You probably have your favourites from the world of procycling and drawers full of bright and colourful cycle clothing at home, but **what if you could design your perfect jersey?**

We're giving you the chance to win a competition to dream up a jersey – and have it made by Official Supplier to the Great Britain Cycling Team and custom design specialists, KALAS!

During unprecedented times, why not design as a family and create something that represents you? Perhaps include a symbol, place or colour that is personal to you and your tribe.

HOW TO ENTER

STEP ONE

Draw your designs onto the templates on the back of this page, adding any notes in the surrounding space.

STEP TWO

All finished? Add your contact details to the box below and email it to address provided. Alternatively, you can post it back to us at NCC (address below).

STEP THREE

We'll be closing the competition on 28 June 2020 and will notify the winner by August.

DESIGN LIKE A PRO

- Spend some time looking at your favourite jerseys and think about why you like them. Are they busy or basic in their design? Full of colour or just one shade?
- Think about whether you'd like to add any wording. We won't be able to add any real sponsors or existing club names to the jersey, but this is your chance to personalise it.
- Different parts of a jersey (eg the shoulders) are more visible when it's being worn on a bike. Bear this in mind when designing your jersey.

Many teams, clubs, groups and organisations all over the world create their own kit design with Kalas. If your group would like to find out more please contact Kalas on 01458 558296 or info@kalas.co.uk

ALL DONE?

Please ask a parent or guardian over the age of 18 to fill in this section:

Name Age Parent name

Address

Email address Telephone number

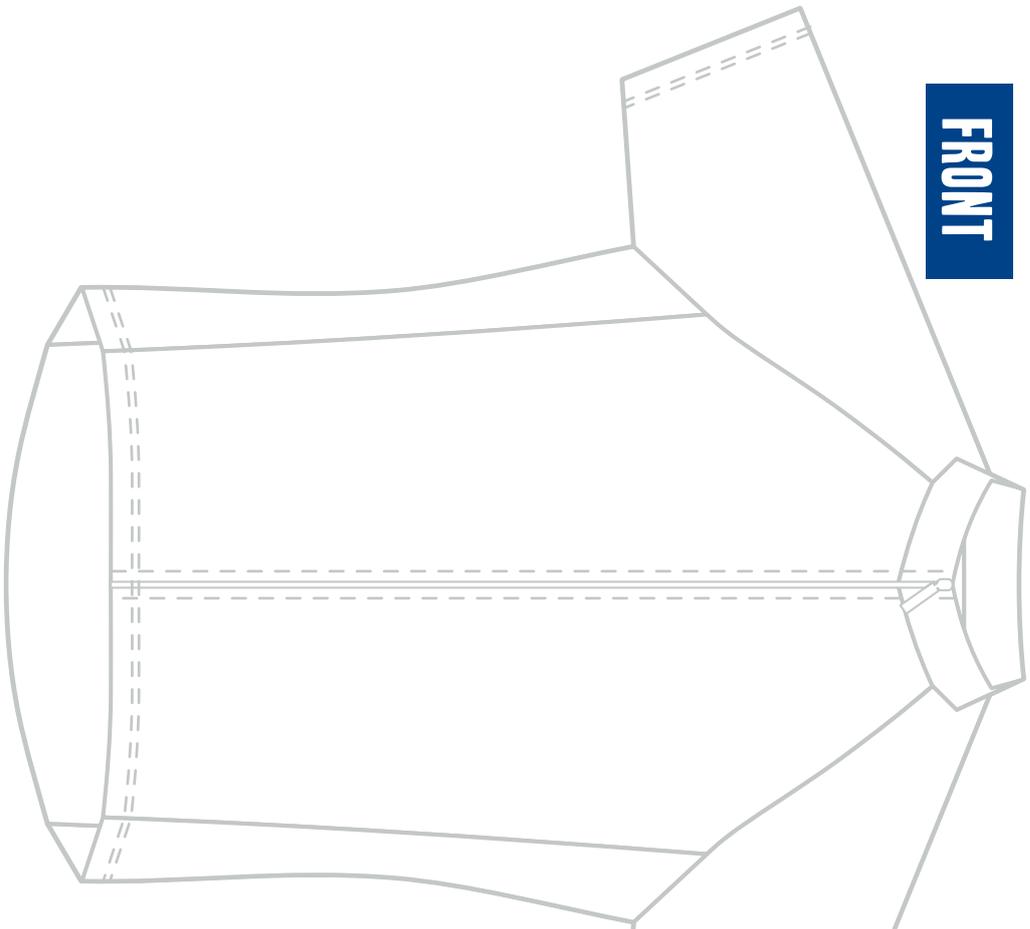

By ticking this box you agree to be entered into our competition.

If you are selected as a competition winner you will be contacted by British Cycling and/or Kalas to discuss production of the jersey. The competition will be open until 28 June 2020 and winners will be notified by August. You will not be contacted if you are not a competition winner. After this competition your data will be securely destroyed. For more information about how British Cycling manages personal data please see [britishcycling.org.uk/privacynotice](https://www.britishcycling.org.uk/privacynotice).

Please email your entry to LetsRideEvents@britishcycling.org.uk. Alternatively, please post your entry to **Let's Ride Local Kalas Jersey Competition**, British Cycling, National Cycling Centre, Stuart Street, Manchester, M11 4DQ.
