A noun is a naming word. It is used to name people, animals, objects or things and feelings.

Let's start by looking at the names of things.

Circle the nouns in these sentences:

1. The path ran through the dark wood. *(2 nouns)*

2. The rain fell down for an hour. *(2 nouns)*

3. The red car parked in the street. *(2 nouns)*

4. The school held a fete in the playground. *(3 nouns)*

Complete these sentences by using the nouns shown.

| road | beach | teeth | park |
|------|-------|-------|------|

5. I brush my ............... every morning.

6. Every day dad takes the dog for a walk in the ............... .

7. The two cars crashed in the middle of the ............... .

8. After the storm the seaweed was washed up on the ....................

Make three sentences using these six nouns. Try to use two of them in each sentence.

| shop | ball | toy | window | bag | camera |
|------|------|-----|--------|-----|--------|
